President—DR. WILLIAM PULOS, Alfred, New York  
Vice President—HOWARD SNETHEN, Dewittville, New York  
Secretary-Treasurer—ALLEN POMEROY, Ovid, New York

# General Information

TIME—SATURDAY, APRIL 29, 1967—Show at 9:30 A.M.; Sale at 12:30 P.M.

LOCATION—Cornell University's Judging Pavilion, Ithaca, New York. The pavilion is on Judd Halls Road just north of New York Route 366 on eastern edge of Ithaca. Ithaca is easily reached on New York Routes 13, 96 or 34. Mohawk Airlines serves the city.

GUARANTEE: The standard guarantee endorsed by the American Shorthorn Association will cover all cattle sold (see Guarantee in back section of this catalog).

HEALTH: All animals are sold with Health Certificates to comply with the New York laws regulating Tuberculosis and Bangs Disease.

TERMS: Terms of the sale are cash unless other arrangements are made in advance and the sale manager notified or arrangements made between buyer and consignor. Settlements are to be made with the clerk of the sale immediately at the close of the auction. All stock will be at the buyer's risk as soon as bid off. The management will attend to loading on cars or trucks in compliance with instructions from the purchasers.

REGISTRATION: A Certificate of Registry and a signed Transfer for each lot sold will be furnished to the purchaser. An application of Registry will be furnished with each unborn calf sold in dam.

FOOTNOTES: The footnotes were written by the consignors. Any announcement or correction of material in the catalog made from the auction stand on sale day will take precedence over the matter in the catalog.

NO LIABILITY: The New York Shorthorn Association, its officers and directors and the sale management and the employees will not be responsible for any accidents that may occur, but will make every effort to provide for the safety and comfort of guests.

AUCTIONEER: Harold Barrows, Whitney Point, New York, Empire Livestock Marketing Co-op.

JUDGE: Girdon Buck, Starucca, Pa.

SALE HEADQUARTERS: Ithaca Hotel, Ithaca, New York.

FRIDAY EVENING, APRIL 28, 1967: Dutch Treat Dinner. Visitors attending the sale are invited to join with New York breeders for an informal dinner at Willard Straight Hall's "Elmhurst Room" on the Cornell Campus, starting at 6:30 p.m. Won't you join us?

SALE MANAGED BY: THOMAS G. PATTON, Shaker Farms, R.D. 3, Windsor, New York 13865.

Valona Sue -461191- Red, Grant Campbell

**SANGAMON LEOPOLD 3270-870.** (Dehorned) This beefy bull by the 1964 International Grand Champion Sangamon Commando has type and quality. His dam was purchased for \$8,100 at the Campbell disperser sale and comes from what was considered one of the best producing families at Camson Farms. She is an exceptionally large cow and for this reason we feel that Leopold will finish a large bull.

**SANGAMON RED RODNEY (Reg. applied for).** (Dehorned) International Grand Champion Sangamon Commando. This type red bull has thickness, style, and quality. His dam is one of the great Shorthorn cows in the country. Mr. Ben Franklin of Birmingham/Joyceton Farms considered the Secret Family to be one of the best Shorthorn families that he imported from Scotland. We believe Red Rodney possesses one of the finest pedigrees of the breed. He is big for his age, with good legs and feet and should make a fine stock bull.

# Females

## Lot 6 — Female

Algird F. White

N O T E S

# THE BEEF SHORTHORN COW

## Champion Of The Family Farm. . . .

Of course, the Family Farm is not dead in America! Nor is the grand old red, white and roan beef cow--the BEEF SHORTHORN--by any means solely a breed with a past. While Grandpa will tell of the great herds of reds, whites and roans that drovers brought through the country in his day... don't be lost for a moment in the belief Beef Shorthorns (Durhams) are any less well-suited to today's beef-making and beef-marketing needs!

The red, white and roan lady is today an integral part of the beef industry--a perpetuator and improver of the FUNDAMENTAL QUALITIES it has taken for generation-after-generation to profitably make beef for America's tables! She has long held title to "Champion of the Family Farm" for her faithfulness to her keepers. She's an understanding lady... terribly patient and not easily riled. And that's why kids find her beefy offspring ideally suited for projectwork, whether they are beginners or old hands at the business.

The red, white and roan kind readily respond to good feed and concerned care... but in situations where vegetation is sparse and attention is light, they have traditionally held their own and profitably survived. Their ability to milk well and to nurture growthy, pounds-adding calves is a part of their inheritance. And that's why the breed is becoming--again--so widely sought. POUNDS OF BEEF and comparable quality still govern America's livestock markets! In its pure state.. or crossed with other "brands" of beef cattle, nothing beats the "Beef Shorthorn Influence!"

If you have grass and even a tiny unexplainable urge to own a beef beast you can work and admire and profit-from... then set aside the relatively conservative investment required to make a start with Beef Shorthorns. Be a part of tomorrow by investing today in a breed with a future (and a challenge to boot!) Beef-up your farming program! Beef-up America! Beef-up with BEEF SHORTHORNS!

# **Recommended Guarantee**

**Endorsed by American Shorthorn Association**

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or not allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proven to be a breeder beyond doubt it shall be returned to the purchased at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any other animal later substituted.

5. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bang's Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

6. Certificate of Registry and Transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All Prospective buyers should check health requirements of their states.

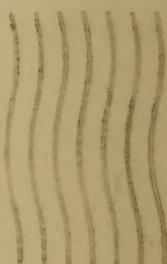

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificate of Bang's Calfhood Vaccination, and those that are not from Accredited Herds have passed a clean Tuberculin Test within the same period. Health Certificates will be provided with each lot sold.
